Dear Families,

### **Code of Conduct for Children, Parents and Carers on school premises**

In school, we want all of our children to feel safe and happy. We expect good behaviour and good manners. We know you feel this is important too.

We are very proud and fortunate to have a very dedicated and supportive school community. At our school the staff, governors, parents and carers all recognise that the education of our children is a partnership between us.

We expect our school community to respect our school ethos and set a good example of their own behaviour on school premises.

**We will not** tolerate unacceptable behaviour from any member of our school community and incidents will be dealt with in an appropriate manner. We are always available to discuss any concerns you may have in a constructive manner, through an open and positive dialogue.

If anyone continues to behave in such a way that is inappropriate, we will discuss this matter with our Chair of Governors which will result in a ban from the premises.

The majority of our parents do conduct themselves in an appropriate manner and we want to thank you, and we value and appreciate all of your support.

Your sincerely

Mr I Tankard  
Headteacher
