

Sun Safety in School

7 June 2021

Dear Parents/Carers,

The summer is on its way and we are all looking forward to spending lots of time outside for playtimes and also lessons! However on really hot days we can't offer the protection of shade to every child so it is incredibly important that children bring their sun hats into school every day (wide brimmed hats would offer better sun protection for the face, neck and ears).

We also ask that all children wear sun cream to school which is applied before they arrive in the morning as this offers protection during the school day (SPF 20 or higher with UVA and UVB protection).

Due to health and safety reasons flips flops should not be worn to school.

Kind regards

Mr I Tankard
Head Teacher
