

1 July 2021

New School Meal Price from 1 September 2021

Dear Families,

I write to inform you that, after careful consideration, the school is having to implement an increase in price of school meals (last price increase was in September 2016). The price increase will take effect from 1 September 2021. The cost increase means that meals will rise from £2.05 to £2.10 for paying pupils. The weekly cost will be £10.50.

Healthy school meals, cooked on the premises, are available each day. There is a three weekly rolling menu detailing each day's main course and dessert. We also offer a Halal option, vegetarian option, jacket potato or sandwich option as main course.

The Government have pledged continued support for the Universal Infant Free School meals project and this means that all of the children, from Foundation Stage 2, Year 1 and Year 2 can be provided with a school meal free of charge.

Your child (Years 3-6) can have free school meals if you are in receipt of certain allowances. Please contact the school office for more information. Coleridge use the Wolverhampton Free School Meal checking service.

If you pay for school meals please remember to keep your school meals account topped up as meals are payable in advance of ordering.

If there is a difficulty in providing payment of meals, please contact the school office as soon as possible. All queries and requests for support are confidential and we will always work with families to ensure that a solution is found.

Kind regards

Mr I Tankard
Head Teacher
