

# SUNSHINE WEEKS! CELEBRATING DIVERSITY

At Coleridge School we recognise that each individual is unique, and we celebrate these individual differences. These can be along the dimensions of race, ethnicity, gender, different families, socio-economic status, culture and disabilities.

Throughout the school year we will be covering topics that celebrate these differences.

Please see below the Itinerary of events taking place.

We are hoping to raise for different causes e.g. Wear red donations to Race Stop Hate UK. To help us reach these goals please donate on the dress down Fridays.
