

Free Narrow Boat Trip

Have you and your family struggled throughout the pandemic?

Have you been affected by home schooling, bereavement, shielding, furlough, loss of job, children or adults struggling with their mental health?

If the answer is yes, and you would like to book a FREE trip on a narrow boat, please contact Swinton Lock Activity Centre on 01709578778 to book a place and find out more information.

The boat trip will give children and adults the experience of taking control of the boat, learning to navigate the lock systems or just sitting back and relaxing to enjoy the beautiful scenery and wildlife long the way.
