

6 April 2022

Dear Families,

Firstly, I just want to thank you for your continued support over the past term. It's been a challenging term and the children have continued to show resilience and determination to make strong progress. I am so proud that we continue to move school forward during a global pandemic and that's down to the partnerships we have as a school community.

#### Staffing updates

It is with regret that I have to inform you that Mrs Kay will be moving to East Dene, another local primary school within our trust, to work 3 days a week after Easter. I am thrilled that we will still have 2 days support a week from Mrs Kay but we will miss her for the three days she isn't here. Mrs Kay has shown such drive and skill in the past 6 months and has moved our school forward immeasurably in a short period of time. I know she will continue to build upon the strong foundations she has built at Coleridge. I am so pleased the Academy Trust have noticed Mrs Kay's potential and we know she will be a huge success joining our CLPT family at East Dene.

Mrs Shaw is returning from maternity leave today. Mrs Shaw will be returning to work 3 days a week (Wednesday - Friday) and I know all our children and families will be thrilled to see her. Mrs Shaw will continue to support in Y6 whilst also leading on teaching and learning alongside Mrs Kay.

We would also like to announce the pregnancy of Miss Cahill. We would love to send our warm congratulations to Miss Cahill and her partner Greg and we know that the whole school community wish you a healthy pregnancy. We cannot wait to hear about your arrival in October.

If you have any questions, please don't hesitate to contact me.

Many Thanks,

Mr Tankard  
Head teacher
