

# Colour Dash

Dear Families,

After the success of last year's colour dash, we are holding another event this year on Thursday 23 June. The Sponsored Colour Dash will take place in school for children in F2-Y6.

We are asking that each child taking part donates a minimum of £2 so that we can raise as much money as possible, which will be helping towards the purchase and installation of a community defibrillator.

Children can take part in the Colour Dash (permission needs to be given) where different coloured powder paint will be thrown into the air whilst the children run through it.

Children who have permission to take part will need to wear a plain coloured, old t-shirt, and old trousers, as there is a possibility that the colour paint may stain their clothes.

Please sign and return the consent below with your donation if you wish for your child to take part.

Please note, children without a signed consent **will NOT** be able to take part in this colourful event.

---

**(Please return to class teacher ASAP)**

I give consent for my child \_\_\_\_\_ to take part in the Colour Dash on Thursday 23 June, and I understand that their clothes may become stained from the bright coloured paint.

Signed \_\_\_\_\_ Name \_\_\_\_\_
