

# WOMEN ONLY SESSIONS

We are looking at running some fitness/sporting activities at Coleridge Primary School. We would be looking at running these sessions from **9:30am-10:30am** within the school grounds.

Many thanks to Mr Tankard and the school for supporting this project and opportunity.

The start date will be confirmed once we receive these questionnaires back, but would be looking to get them up and running as soon as possible.

The More than Football project will support by making these sessions **FREE** for a set period of time (to be confirmed how long).

The More than Football project is designed for the community, by the community. It strives to provide opportunities for members of the public to participate in sustainable sporting activities, not just football.

Have your say! (Scan the QR code or click the link to complete the questionnaire online - <https://forms.office.com/r/mKSyCaezk4> )

1. What activities would you like to be seen delivered at the school. Please be as specific or broad as you'd like for this.

2. Which day would you like these sessions to take place? (Please circle days you would like the session/s to run)

Monday / Tuesday / Wednesday / Thursday / Friday

3. Would you be willing to contribute towards the session? (please circle) Yes / No

If 'Yes' how much would you be willing to pay per session? \_\_\_\_\_
