

Dear Families

RE: NSPCC Number Day

On Friday 2nd February, we will be celebrating Number Day. The children will be participating in various fun Maths activities during the day.

As part of celebrating Number Day, children are invited to wear non-uniform for a £1 donation. The money raised will go to the NSPCC which is a charity that supports children and helps to keep them safe.

Your child may wish to wear an item of clothing linked to numbers. Some examples of what your child could wear include a favourite sports top with a number on the back, dressing up as a number block, or why not get creative and make something to wear such as a unique t-shirt or hat or even by dressing up as a human sized calculator!

We can't wait to see the children's outfits (but please do not spend lots of money buying new costumes)

Kind Regards

A. Warner
