

Dear Parents and Carers,

I am writing to inform you that the cost of school dinners will increase from 1 September 2026. Due to rising food, staffing, and operational costs, the price of a standard school meal will be £3.00 per day.

We have worked hard to keep costs as low as possible, and this adjustment ensures we can continue providing pupils with healthy, high-quality meals each day.

If your child is currently eligible for Free School Meals, this change in meal pricing will not affect their entitlement.

From September 2026, there will be three types of Free School Meals entitlement. I have attached a leaflet explaining each category in more detail.

Further information about these categories, including eligibility criteria and how to apply, speak to the School Office staff or visit wolverhampton.gov.uk/freeschoolmeals.

Thank you for your understanding and continued support.

Yours sincerely,

Ian Tankard
Executive Headteacher
